Remarks

This Form 144/A amends the Form 144 filed on March 13, 2025, to update the estimated number of shares to be sold pursuant to automatic "sell to cover" transactions solely to cover tax withholding obligations and fees arising from the vesting of the Reporting Person's restricted stock units. Such sell to cover transactions do not represent discretionary trades by the Reporting Person. The actual number of shares sold will depend on the sale price of the Company's common stock in such transactions.

The person for whose account the securities to which this notice relates are to be sold hereby represents by signing this notice that he does not know any material adverse information in regard to the current and prospective operations of the Issuer of the securities to be sold which has not been publicly disclosed. If such person has adopted a written trading plan or given trading instructions to satisfy Rule 10b5-1 under the Exchange Act, by signing the form and indicating the date that the plan was adopted or the instruction given, that person makes such representation as of the plan adoption or instruction date.
